

Westcoast Family Resources Society becomes Westcoast Family Centres Society

We have recently changed the name of our agency from **Westcoast Family Resources Society** to **Westcoast Family Centres Society**.

It's an exciting time for Westcoast. New programs and opportunities prompted a refreshing of our name and our communication materials. It is our hope that this new approach will help clarify the breadth of services we offer and reflect the approachable, forward-thinking attitude that has characterized Westcoast for the past 27 years. The agency's new identity will be launched at our Annual General Meeting on June 22nd, 2011.

There have been no changes in management and the agency will continue to operate in its current structure. Your contacts and our web domain www.westcoastfamily.org will remain unchanged.

We request that you please inform your administration department and update your records immediately. For any further information, please do not hesitate to call me. Thank you for your valued support over the years and your cooperation in this matter.
